Michigan State head coach Suzy Merchant has established herself as one of the premier coaches in MSU history. Merchant has proven to be one of the best coaches in Michigan State history and a force in the Big Ten Conference. She reached two milestones during the 2021-22 season, earning her 500th career win against Valparaiso on Nov. 16, 2021. Just one game later, she garnered her 300th win at the helm of the Spartans with a victory against Bryant on Nov. 19, 2021.

Entering her 16th season as head coach of the MSU women's basketball program, Merchant has brought the Spartan program to the upper echelon of the Big Ten and national level. The Spartans have finished third or better in the Big Ten in eight of the last 15 seasons, and her conference record of 152-102 (59.8%) is in the top-12 career winning percentage in the 36-year history of the Big Ten. The Spartans have won at least 20 games in 10 of her 15 seasons.

The Great Lakes State native was hired at MSU on April 30, 2007, after spending time as a head coach at Eastern Michigan (1998-07) and Saginaw Valley State (1995-98). In her 25 years as a head coach, she has won nearly 65 percent of her games, collecting a 512-292 (.637) career record, including 311-172 (.644) in 15 seasons in East Lansing. Merchant became the fastest Spartan coach to 100 wins. She is also the winningest coach in Eastern Michigan history, compiling a 147-91 record in her nine seasons.

Through her first 15 seasons at MSU, 49 Spartans have earned All-Big Ten recognition and 76 have been named Academic All-Big Ten. A trio of Spartans have earned major Big Ten awards - Kalisha Keane was the Big Ten Player of the Year in 2010-11, following up the Sixth Player of the Year award as a junior, while Lykendra Johnson (2010-11) and Allyssa DeHaan (2009-10) were named Big Ten Defensive Players of the Year. DeHaan, who finished her career second all-time in NCAA history in blocked shots, and Keane were also named All-Americans following their senior seasons. In 2013-14, Aerial Powers became the first Spartan freshman to earn first-team All-Big Ten honors. Powers went on to earn first-team All-Big Ten honors in 2014-15 and 2015-16, as well as being named an All-American both seasons. During the 2016-17 season, Tori Jankoska became the Spartan all-time leading scorer as

well as earning first-team All-Big Ten and All-American honors. During her historic 2021-22 season, Nia Clouden earned first team All-B1G honors, as well as capturing AP and WBCA honorable mention All-American honors.

Powers went on to capture her first WNBA title with the Washington Mystics in 2019.

During the 2020-21 campaign, the Spartans battled to a 15-15 record, including an 8-9 record in Big Ten action. Michigan State was faced with a slew of injuries throughout the season, including season-ending injuries to Julia Ayrault and Tory Ozment before the season even began. The season was highlighted by a 63-57 win over No. 4 Michigan at home on Feb. 10. Clouden led the way for MSU averaging 20.0 points and 4.2 assists per game, en route to becoming the second all-time leading scorer in MSU history with 1,882 points. Freshmen Matilda Ekh and DeeDee Hagemann both earned All-Freshman and honorable mention All-Big Ten honors.

Last season, Michigan State endured a season unlike any other and still reached the NCAA Tournament, playing in the "bubble" in San Antonio, Texas. Despite a COVID-19 shortened season with several starts and stops, the Spartans ended the season with a 15-9 record and went 8-7 in the relentless Big Ten. Junior Nia Clouden led the Spartans in scoring, averaging 18.7 points per game en route to first-team All-Big Ten honors. After taking the Spartans to the semifinals of the B1G Tournament, she also earned a spot on the Big Ten All-Tournament team. Accustomed to playing in front of a raucous Breslin Center crowds, MSU also was forced to play in arenas with no fans last season.

During the 2019-20 campaign, a wave of injuries struck MSU before the COVID-19 pandemic wiped out the hopes of any postseason run. The Spartans ended the season with a 16-14 overall record and ending B1G play with a 9-9 record. Taryn McCutcheon capped off her stellar Spartan career, earning second-team All-Big Ten honors with second-team accolades by the coaches and honorable mention by the media. Clouden, who was a standout performer all season, picked up second-team honors. McCutcheon became MSU's all-time assist leader with 582 helpers.

SPORTS MEDICINE

Michigan State basketball players receive first-class care from the sports medicine staff, which is comprised of a team of certified athletic trainers, family practice physicians, orthopedic surgeons and a staff of students who aspire to be the athletic trainers of the future.

The MSU Sports Medicine staff is guided by Director of Sports Medicine and Performance/Primary Care Team Physician Dr. Jeff Kovan. The team physician for women's basketball is Dr. Nathan Fitton.

The women's basketball program also has a staff athletic trainer in LouAnne Jefferson, who provides year-round health care for head coach Suzy Merchant's student-athletes.

At Michigan State University, the philosophy of the Sports Medicine staff is two-fold: to help prevent injuries as much as possible through effective preventative programs, and to facilitate an effective rehabilitation program post-injury for a timely return to competition. In all cases, the ultimate well-being of each individual is considered the top priority.

The training room in the Breslin Center was remodeled prior to the 2008-09 season.

Sports Dietician Kristin Jukus will assist with the dietary needs of the players for the 2022-23 season.

2021-22 IN REVIEW

2021-22 YEAR IN REVIEW

Fighting through a slew of injuries throughout the season, the 2021-22 Michigan State women's basketball team celebrated many milestones. The Spartans ended the season with a 15-15 overall record and a 8-9 mark in Big Ten contests. Senior guard Nia Clouden captured All-American and first-team All-Big Ten honors. Freshman DeeDee Hagemann and Matilda Ekh both earned All-Freshman and All-Big Ten honors.

● In head coach Suzy Merchant's 15 seasons, Michigan State has now earned 49 All-Big Ten selections. MSU has had a player earn All-Big Ten honors in all 15 of those seasons.

● Nia Clouden capped off a stellar senior campaign by earning honorable mention Associated Press and WBCA All-American honors. She ended her storied Michigan State career second in career scoring with 1,882 points, behind all-time leading scorer Jankoska (2,212). Clouden ended the season averaging 20.0 points, 4.2 rebounds and 4.2 assists per game.

● Spartan head coach Suzy Merchant reached the 300-win mark as head coach of the Spartans against Bryant on Nov. 19. She now holds a 311-172 record at Michigan State. Karen Langeland is the all-time leader with a 376-291 record at MSU. Merchant is also three wins away from tying Langeland for the most Big Ten wins by a MSU coach with 156. She also reached 500 career wins against Valparaiso on Tuesday, Nov. 16. Overall, she holds a 512-290 overall record.

● Among Nia Clouden's many accomplishments last season was her amazing performance at the West Palm Beach Invitational. Clouden scored 50 points in the Spartans' double overtime loss to Florida Gulf Coast on Dec. 20. The 50 points is also the most points scored in the NCAA last season. She became just third Big Ten player ever to score 50 points, joining Minnesota's Rachel Banham (2015-16) and Michigan's Naz Hillmon (2020-21).

● In April, Nia Clouden was drafted 12th in the first round by the Connecticut Sun. Clouden, an Owings Mills, Maryland native, became the eighth Spartan to be selected in the WNBA draft. Tori Jankoska was the ninth overall pick in the 2017 draft by the Chicago Sky, while Aerial Powers was the fifth overall pick in 2016 going to the Dallas Wings. The guard went on to reach the WNBA Finals her first season with the Connecticut Sun.

Nia Clouden was a first-round draft pick by the Connecticut Sun.

In November, Coach Merchant celebrated her 500th career win.

* Finish at Big Ten Championship

NOTE: Since the 1982-83 season, a double round-robin format has determined the conference champion. From 1976-82, the conference champion was determined by a weekend tournament. Championships prior to the 1981-82 season were not sanctioned by the Big Ten Conference. Beginning with the 1994-95 season, a postseason conference tournament has been played with the winner gaining the Big Ten's automatic bid to the NCAA Tournament.

MSU HALL OF FAME

KATHY DEBOER
WOMEN'S BASKETBALL/VOLLEYBALL
(1977-78)
CLASS OF 2022

A product of the Title IX era, it's fitting that former Spartan volleyball and women's basketball standout Kathy DeBoer's induction into the Michigan State Athletics Hall of Fame coincides with the 50th anniversary of its enactment. DeBoer's induction adds to the list of impressive inductees from that era, including former teammates Diane Spoelstra, Mary Kay Itnyre and Carol Hutchins.

DeBoer spent three years in East Lansing racking up accolades on the court, but they all pale in comparison to her work as an advocate for gender equality across sport. As the Executive Director of the American Volleyball Coaches Association (AVCA), a position she has held since 2006, DeBoer continues to fight for women's rights long after the conclusion of her careers as a player, coach, and athletics department administrator.

Although she started her intercollegiate career at Calvin College, DeBoer quickly made her mark as a multi-sport athlete for the Spartans.

DeBoer's name still ranks among the greats in the Michigan State women's basketball record book. Her 9.3 career rebounds per game is fourth best in program history and her 17 career double-doubles ranks No. 14 all-time despite playing just two seasons with the team. During the 1976-77 season, DeBoer led the Spartans in field goal percentage, free throw percentage, rebounds, and assists. Her 10.2 rebounds per game in 1976-77 is still the eighth best individual rebounding season in program history.

Alongside Jill Prudden, DeBoer was named co-captain prior to the 1977-78 season, the first season that captains were recorded for the program. DeBoer earned team MVP honors following the 1977-78 season and was a finalist for the first ever Wade Trophy, presented annually to the best player in collegiate women's basketball by the Women's Basketball Coaches Association. Over the course of her career, DeBoer helped the women's basketball team to a 44-13 record along with a 17-2 mark in Big Ten play.

KALISHA KEANE
WOMEN'S BASKETBALL (2008-11)
CLASS OF 2022

Tenacious competitor, fantastic teammate, fearless leader. Former Michigan State women's basketball player Kalisha Keane encompasses all those statements. She will now add the epithet of Michigan State Hall of Fame inductee.

The native of Ajax, Ontario, remains the only player in Spartan women's basketball history to end her career with at least 1,500 points, 600 rebounds, 300 assists and 250 steals.

Keane becomes the ninth Spartan women's basketball player or coach to join the Hall of Fame, along with Kathy DeBoer and Karen Langeland who were also inducted this year. They join Kristin Haynie, Liz Shimek, Carol Hutchins, Mary Kay Itnyre, Diane Spoelstra and Kisha Kelly in earning the rare honor.

MSU HALL OF FAME

KAREN LANGELAND
WOMEN'S BASKETBALL (1976-12)
CLASS OF 2022

Karen Langeland enters the Michigan State Athletics Hall of Fame for her work not only during a successful 24-season tenure on the basketball sideline as the head coach, but also 12 years as an associate athletic director, lending her expertise and knowledge to 11 additional Spartan programs as their sport administrator.

Langeland joined the Spartan staff as the third women's basketball coach in program history in 1976, hired by Dr. Nell Jackson to coach the program in the early years as women's athletics were evolving after 1972's Title IX decision. Over the next 24 years, she built a first-class basketball program dedicated to achieving excellence on the court as well as educating and preparing her players for the challenges of tomorrow. During her tenure at MSU, Spartan basketball alumnae went on to impressive careers in education, medicine, law, finance, athletic administration, and coaching.

On the court, Langeland guided Spartan basketball teams to 376 overall wins, a Big Ten title, three NCAA Tournaments, two Women's National Invitational Tournament appearances, 17 winning seasons and four 20-win campaigns. In those 24 years, there were 39 All-Big Ten selections, one All-American, and seven Academic All-America selections. She guided the squad to 24 victories over ranked opponents, was named District Coach of the Year in 1991 and the Big Ten Coach of the Year in 1988. Seven of her athletes went on to play professionally, including two drafted by the WNBA.

In 1996-97, Langeland reached a pinnacle in her career after guiding Michigan State to a share of its first-ever Big Ten title with a 12-4 record in the conference. The Spartans, who finished the year with a 22-8 overall mark, also made their second-straight NCAA Tournament appearance and their third overall.

CAROL HUTCHINS
WOMEN'S BASKETBALL/SOFTBALL (1976-79)
CLASS OF 2021

Carol Hutchins, a 1979 graduate, was both a basketball and softball standout at MSU. She added the Michigan State Athletics Hall of Fame to her considerable list of career accomplishments in 2021. Already on her resume is a spot in the Greater Lansing Sports Hall of Fame (2000), the National Fastpitch Coaches Association Hall of Fame (2006) and Michigan Athletics Hall of Fame (2011), showing just a portion of the impact she has had throughout her career. An AIAW National Champion as an undergraduate, she's now the NCAA's winningest active softball coach, with nearly 1,700 victories to her credit.

The Lansing, Michigan native, earned a starting spot at shortstop her freshman season, she helped pilot the softball program to an Association of Intercollegiate Athletics for Women (AIAW) National championship in 1976, prior to the NCAA sponsoring championships for women. A two-sport athlete who lettered in basketball in addition to softball, she recalls that the women leading those programs played a large part of helping forge her career path.

MSU HALL OF FAME

ELIZABETH (SHIMEK) MOEGGENBERG
WOMEN'S BASKETBALL (2003-06)
CLASS OF 2021

Elizabeth (Shimek) Moeggenberg was part of the historic 2005 team that reached MSU first Final Four. The Empire, Michigan, native will now take her place among the best of the best in MSU history. She joins teammate Kristin Haynie (2017), along with Mary Kay Itnyre (2015), Diane Spoelstra (2012) and Kisha (Kelley) Simpson (2011), as the only MSU women's basketball players in the Michigan State Athletics Hall of Fame.

Moeggenberg left Michigan State as the Spartans' all-time leading scorer with 1,780 points. She now stands third all-time in points scored and still remains first in field goals made with 719. The forward is one of only two Spartans to earn All-American honors twice. Moeggenberg is one of only six MSU women's basketball players to earn All-Big Ten honors all four seasons. She also left her mark in the classroom as well, earning CoSIDA Academic All-American honors in both 2005 and 2006.

The 2005 season was the most successful in MSU women's basketball history. The Spartans ended the season ranked No. 2 in the final USA Today/ESPN Coaches poll, earning their highest-ever national ranking. Michigan State's starting five featured Moeggenberg, Kristin Haynie, Kelli Roehrig, Lindsay Bowen and Victoria Lucas-Perry. MSU averaged 71.0 points per game, while allowing only 58.2. Those stats were bolstered by a 67-51 win over No. 11 UConn on Dec. 29, 2004, as the 10th-ranked Spartans not only won on the Huskies' tough home court, but also dealt them their worst home loss in 12 years.

Moeggenberg's hard work during her collegiate career translated to even more success as she left East Lansing. She followed her MSU career with several years in the WNBA and a stint playing overseas until 2009.

KRISTIN HAYNIE
WOMEN'S BASKETBALL (2002-05)
CLASS OF 2017

Kristin Haynie was the quintessential Spartan, leading the Michigan State women's basketball team to its first Final Four during the magical 2005 season. The Mason, Michigan, native dreamed of becoming a Spartan and used complete tenacity to make her dreams come true.

A native Michigander, Haynie finds it particularly special to be named to the MSU Athletics Hall of Fame. Haynie was inducted into the Greater Lansing Area Sports Hall of Fame in 2014, but did not anticipate being named to the MSU Athletics Hall of Fame at such a young age.

Haynie had a stellar Michigan State career, ranking as the career leader in assists (574) and steals (346). She finished her career ranked eighth in MSU history in scoring (1,199 points) and is still 14th in career scoring. At the time of her graduation, she was just the fourth player in Big Ten history to reach career totals of 1,000 points, 500 rebounds, 500 assists and 300 steals. She is also the Michigan State leader in single-season steals with 117. The point guard is still one of just three Spartan women's basketball players to record a triple-double.

The Spartan had an amazing stint in East Lansing, but the pinnacle of her MSU career was the 2005 season. Michigan State advanced to its first-ever Final Four, falling in the championship game to Baylor. MSU finished the season with a 33-4 record, which is still the school record for wins, under the tutelage of head coach Joanne P. McCallie.

Haynie knows that her success during her senior season had as much to do with the other four players on the court with her. Shimek and Bowen both started every game of the 2005 season with Shimek leading the team in scoring, averaging 14.8 ppg. Haynie, Shimek and Bowen all garnered Kodak/WBCA and Associated Press All-American honors after the conclusion of the 2005 season, but it was Haynie that emerged as the heart of the Big Ten Championship squad. She joined the Michigan State coaching staff for the 2019-20 season.

According to athletic communications' records, Spoelstra is one of only two women to compete in three different sports at MSU, joining Shirley Cook (1955-58: field hockey, basketball and track).

The 5-foot-10 Spoelstra was a two-year starter in basketball from 1976-78 for Coach Karen Langeland, who helped Michigan State to a combined record of 44-13 including back-to-back 20-win seasons. As a junior, she averaged 11.7 points, 6.1 rebounds and 1.4 assists while connecting on 47 percent of her shots from the floor, as the Spartans won the Midwest Association of Intercollegiate Athletics for Women (MAIAW) Championship and qualified for the AIAW Tournament. MICHIGAN STATE UNIVERSITY

Interim President Teresa Woodruff

Teresa K. Woodruff, Ph.D., was selected by the Michigan State University Board of Trustees as MSU's Interim President effective November 4, 2022.

Woodruff previously served as Provost and Executive Vice President for Academic Affairs at MSU. As chief academic advisor, Woodruff provided leadership for matters related to academic programs, research, and outreach involving faculty, students and academic staff. She oversaw the quality instruction, scholarship and leadership development at the university through collaborative work with deans, faculty and student leaders.

Prior to joining MSU in August of 2020, Woodruff served as the Dean and Associate Provost for Graduate Education in The Graduate School at Northwestern University and held the Watkins Professorship in the Department of Obstetrics and Gynecology. In addition to her role as provost, Woodruff is a MSU Foundation Professor in the Department of Obstetrics, Gynecology, and Reproductive Biology and the Department of Biomedical Engineering.

Woodruff is an internationally recognized biologist specializing in reproductive science. In 2006, she coined the term "oncofertility" to describe the merging of two fields: oncology and fertility preservation. Working at the national level, Woodruff championed the new National Institutes of Health (NIH) policy mandating the inclusion of females in fundamental research.

As a leading research scientist, teacher, and mentor, Woodruff was awarded the Presidential Award for Excellence in Science Mentoring by President Obama in an oval office ceremony in 2011. Most recently, Woodruff received the Endocrine Society's 2021 Auerbach Laureate Award, a top honor that recognizes the highest achievements in the field of endocrinology and is in the inaugural class of distinguished fellows of the Society for the Study of Reproduction (2021). She holds 17 U.S. Patents, is the past president of the Endocrine Society and was the editor-in-chief for the journal Endocrinology. She has published over 400 papers and edited or authored 6 books.

She is an elected fellow of the American Academy of Arts and Sciences (2020), the National Academy of Medicine (2018), the National Academy of Inventors (2018), the American Institute for Medical and Biomedical Engineers (2017), the Guggenheim Foundation (2017) and the American Association for the Advancement of Science (2006). Additionally, Woodruff holds the 2022 Distinguished Woman in Higher Education Leadership Award, awarded by the American Council of Education Michigan Women's Network.

Woodruff holds honorary degrees from Bates College and the University of Birmingham School of Medicine and has delivered the commencement address at numerous institutions. She is civically active and a member of the Economic Club of Chicago and a former Board of Trustees member for The Adler Planetarium and the Young Women's Leadership Charter School.

Athletics Director Alan Haller

A professional administrator with more than 20 years of experience in athletics, law enforcement and higher education, Alan Haller was appointed Vice President and Director of Intercollegiate Athletics on Sept. 1, 2021, by Michigan State University President Samuel L. Stanley Jr., M.D.

A former MSU football player and member of the track and field team as well as a former cornerback in the NFL, Haller joined MSU Athletics in 2010, following a 13-year career with the MSU Department of Police and Public Safety. He is credited with being part of the successful efforts to recruit MSU's all-time winningest coach Mark Dantonio and current MSU head football coach Mel Tucker. He also championed the addition of the department's inaugural chief diversity, equity and inclusion officer, Dr. Ashley Baker.

In his first year as athletic director in 2021-22, Michigan State finished 41st in the Learfield Directors' Cup standings, the highest finish for the department since 2014-15. Led by Big Ten Coach of the Year Mel Tucker, the football team won 11 games for just the sixth time in school history and finished in the top 10 of the national polls (No. 8 Coaches, No. 9 AP) after beating No. 12 Pitt in the Chick-fil-A Peach Bowl, marking MSU's second New Year's Six bowl win. Six teams earned team NCAA postseason bids, including men's and women's cross country, men's basketball, gymnastics, and men's and women's golf. The men's basketball team extended its Big Ten record with its 24th consecutive appearance in the NCAA Tournament, while the gymnastics team posted a team-record score and a program-best final ranking of No. 9 in the nation.

The Spartans also continued their excellence in the classroom over the past year, extending the department's run of compiling over a 3.0 cumulative grade-point average for the 23rd straight semester. In the spring of 2022, the department compiled a cumulative 3.2831 GPA, the second-highest in school history. Eighteen teams delivered a 3.0 semester GPA and 19 teams are maintaining a 3.0 cumulative GPA, including five programs (women's golf, women's soccer, softball, baseball, women's basketball) that posted their highest cumulative GPA in team history. In addition, 371 student-athletes were recognized on the Academic All-Big Ten team, including a conference-best 11 honorees with perfect 4.0 GPAs in the fall, and 126 earned Big Ten Distinguished Scholar honors.

Now in his 12th year overall with MSU Athletics, Haller was promoted to Deputy Athletic Director in 2019 after serving as the Chief of Staff and Senior Associate Athletic Director the previous three years.

As a member of the department's senior executive staff, Haller's career in athletics placed him in numerous leadership positions. His role as Assistant Vice President and Deputy Athletic Director had him responsible for coordination of external relations, capital projects, athletics facilities, and event management. He assisted with the department financial planning and management of the budget, led the facilities planning team, oversaw coordination and completion of a facility master plan, and supervised all athletics construction projects in addition to being a senior advisor to the Athletic Director.

Haller has extensive experience working directly with teams as a sport administrator, including football. He also has led coaching search committees, including playing a prominent role in the hiring of football head coach Mel Tucker in February 2020. Haller previously led the senior staff/sport administrator group responsible for administration of all varsity sports and provided leadership, direction, and supervision to sport supervisors.

As the head administrator of the external relations team, Haller worked closely with athletic communications, marketing and the Spartan Fund to coordinate all aspects of planning, implementation, execution and measurement of the goals and objectives of the department's external units.

Haller also works directly with campus leadership in providing guidance to the department on a wide range of issues, including serving as a liaison to the General Counsel's Office, Office of Institutional Equity, Residential and Hospitality Services, Student Affairs, and student governing organizations. He led the reopening/return to campus planning for Athletics Department in 2020 and is currently on committees for the Reopening Campus Taskforce; Community Relations Committee; Race, Diversity and Inclusion Group; and the Clery Compliance Committee.

A former Spartan football letterwinner, Haller's relationships with current and former student-athletes continues to be an important asset for the athletic department and the overall well-being of the student-athletes. He also helps manage student-athlete conduct and accountability.

Haller joined the athletic department as an Associate Athletic Director in 2010. In 2015, he was promoted to Senior Associate Athletic Director, and added Chief of Staff to his title in 2017.

Haller led the transition of the Varsity 'S' Club into being a fully integrated part of the MSU Athletics Department when was named the executive director in January 2013. The Varsity 'S' Club previously was run entirely by volunteer Spartan letterwinners. With the utilization of the resources of the athletics department, the collaboration has enhanced the club's ability to gather and engage all Spartan letterwinners through more involved interaction.

Prior to his appointment in athletics, Haller was a 1st Lt. for the MSU Police Department and served on the force for 13 years. While serving as a 1st Lt. for the MSU Police Department, Haller was in charge of the Uniform Division, which is the largest component of the department.

A four-year letterman as a cornerback for Coach George Perles from 1988-91, Haller earned honorable mention All-Big Ten honors as both a junior and senior and made three postseason bowl appearances with the Spartans (1989 Gator, 1989 Aloha and 1990 John Hancock). The former Lansing (Mich.) Sexton star, who also lettered in track at MSU, was selected by the Pittsburgh Steelers in the fifth round of the 1992 National Football League Draft. Haller spent three seasons in the NFL, playing for Cleveland (1992), Pittsburgh (1992-93) and Carolina (1995).

During the football coaching search in 2006, Haller played a key role in the hiring process of Mark Dantonio, who went on to become the winningest coach in Spartan history, joining former MSU Athletics Director Ron Mason, head men's basketball coach Tom Izzo, and Mark Hollis on the selection team.

Haller holds a bachelor's degree in criminal justice from Michigan State and a master's degree in human resources from Central Michigan.

The Nickname

In 1926, Michigan State's first southern baseball training tour provided the setting for the birth of the "Spartans" nickname.

It all came about when a Lansing sportswriter imposed the silent treatment on a contest-winning nickname and substituted his own choice, the name that has lasted through the years.

In 1925, Michigan State College replaced the name Michigan Agricultural College. The college sponsored a contest to select a nickname to replace "Aggies" and picked "The Michigan Staters."

George S. Alderton, then sports editor of the Lansing State Journal, decided the name was too cumbersome for newspaper writing and vowed to find a better one. Alderton contacted Jim Hasselman of Information Services to see if entries still remained from the contest. When informed that they still existed, Alderton ran across the entry name of "Spartans" and then decided that was the choice. Unfortunately, Alderton forgot to write down who submitted that particular entry, so that part of the story remains a mystery.

Rewriting game accounts supplied by Perry Fremont, a catcher on the squad, Alderton first used the name sparingly and then ventured into the headlines with it. (Incidentally, after two days of spelling the name incorrectly with an "o", Mr. Alderton changed it to Spartan on a tip from a close friend.) Dale Stafford, a sports writer for the Lansing Capitol News, a rival of the State Journal, picked up the name for his paper after a couple of days. Alderton called Stafford and suggested that he might want to join the Spartan parade and he did.

As Mr. Alderton explains: "No student, alumnus or college official had called up the editor to complain about our audacity in giving the old school a new name, so we ventured into headlines with it. Happily for the experiment, the name took. It began appearing in other newspapers and when the student publication used it, that clinched it."

Sparty

"The Spartan" statue, designed and produced by MSU assistant art professor Leonard D. Jungwirth, has a permanent home inside the atrium of the Spartan Stadium tower. The 9-foot-7 ceramic figure weighs approximately 6,600 pounds, including its base. In 2005, the sculpture was relocated to protect it from the elements.

"The Spartan" was dedicated on June 9, 1945, at the intersection of Red Cedar Road, Kalamazoo Street and Chestnut Road. Popularly known as "Sparty," the statue remains one of the favorite photo subjects of campus visitors.

In 2005, an exact replica of the original terra cotta sculpture - now cast in bronze - took up residency on the plaza located at the north end of Demonstration Hall Field. The molds for the bronze statue were made from the original sculpture. The new statue was cast in bronze at the Artworks Foundry in Berkeley, Calif.

As part of MSU's sesquicentennial celebration, the bronze "Sparty" was dedicated on Oct. 8, 2005. Donors contributed approximately $500,000 to pay for all work related to the new sculpture, including the plaza.

Sparty Mascot

Michigan State's beloved Sparty has won three national championships at the Universal Cheer Association's mascot competition at Walt Disney World in Orlando, Florida.

In March 2008, Sparty was selected to appear on the cover of NCAA Football 09 for Nintendo Wii. EA Sports conducted an online poll, asking college football fans to vote and determine which college mascot would have the honor of being depicted on the game's cover. Fans went online and cast more than 700,000 votes and Sparty won a tightly-contested race, beating out mascots from Central Florida, Washington State, Auburn, LSU, Nebraska, Kansas, Iowa State, Alabama and Penn State.

In January 2004, Sparty became the first Big Ten mascot to claim the national title, and in 2005, he defended his national championship, beating Goldy Gopher and Bucky Badger in the finals. After finishing third in the 2006 competition, Sparty reclaimed the national championship in 2007.

Made of hi-tech materials, including a vinyl chest plate and fiberglass molds like the ones used for making Muppets, the seven-foot costume weighs in at 40 pounds, allowing enough flexibility for playful gestures and animation. Sparty is a far cry from the many papier-mache heads that have popped up since the 1950's, mostly from fraternity efforts. The first official one apparently debuted in 1955 courtesy of Theta Xi.

Other versions were introduced at times. In 1984, Sigma Phi Epsilon introduced the first "gruff" head — sporting the unshaven look that still adorns many sweatshirts and jackets. By contrast, the current Sparty costume is a state-of-the-art, full-bodied uniform that costs $12,000.

Today six students — their identities kept private — take turns being Sparty with one of three costumes. Because of the costume size, Sparty aspirants must be between 5-10 and 6-2 in height. Candidates who fit the physical needs are chosen after a hands-on process that includes tryouts and interviews. The Sparty Mascot Program is run and funded by the Student Alumni Foundation.

Green and White

Details are sketchy as to when Michigan State athletic teams officially began using the school colors green and white. But records of the Athletic Association of the then Michigan Agricultural College show that on April 11, 1899, the organization took steps toward adoption of a green monogram, "to be worn only by athletes who subsequently take part in intercollegiate events."

It is generally thought the colors came into wide use with the arrival in 1903 of Chester L. Brewer as the school's first full-time director of athletics. Brewer also coached the football, basketball, baseball and track teams, the only varsity units in existence at the time.

MSU FIGHT SONG

On the banks of the Red Cedar,
There's a school that's known to all;
Its specialty is winning,
And those Spartans play good ball;
Spartan teams are never beaten,
All through the game they'll fight;
Fight for the only colors,
Green and White.
Go right through for MSU,
Watch the points keep growing.
Spartan teams are bound to win,
They're fighting with a vim.
Rah! Rah! Rah!
See their team is weakening,
We're going to win this game.
Fight! Fight! Rah! Team, Fight!
Victory for MSU.

BRESLIN CENTER

The Jack Breslin Student Events Center, one of the premier facilities in the country, serves as the home to the Michigan State basketball programs, as well as the Spartan volleyball team. Besides accommodating the programs, the arena is used for student commencements, concerts, trade shows, conventions, banquets and other functions of interest to both the university and the community. The 14,797-seat arena is beginning its 32nd season of Spartan basketball.

One of the greatest venues in the country for college basketball, MSU has ranked among the nation's top programs in attendance over the past 17 seasons. Over the span, MSU has been among the top-25 nationally each season, including ranking in the top-15 eight of the last 13 years. In 2021-22 the Spartans were 23rd in the nation and fifth in the Big Ten in attendance, averaging 3,755 fans. During the 2020-21 season, no fans were allowed in Breslin Center due to the COVID-19 pandemic.

Michigan State recorded its first official sell out in 2010-11 against Michigan (Feb. 13, 2011), attracting a school-record 14,797 fans.

The Spartans surpassed 1 million fans all-time at Breslin Center 12 seasons ago against Washington (Dec. 19, 2009). In the 35-year history at Breslin, 1,924,939 fans have watched a MSU women's basketball game.

All-time, MSU is 352-116 (.752) at Breslin Center, including a 217-53 (.804) mark since the beginning of the 2003-04 season. The Spartans had a 20-game winning streak at Breslin snapped eight seasons ago, the second-longest streak in school history. In addition, Michigan State has hosted the 2007 and 2009 NCAA Tournament First and Second Rounds in Breslin.

During the 2018-19 season, MSU set the school record for wins at home going 15-1 at the Breslin Center. Last season, MSU went 9-4 at home.

In January 2002, the Michigan State men's and women's basketball staffs moved into their new offices in the Alfred Berkowitz Basketball Complex, one of the finest facilities in the nation. The new addition added two auxiliary gyms along with expanded office space, a large video review room, a video workroom and a conference room for both programs. In November 2007, the latest addition, a new locker room and player lounge were added to the floor level of the Breslin Center.

The auxiliary gyms allow greater flexibility for practice times and individual workouts. A small balcony off the video workroom allows a great location from which to film practice. The gym also contains an auxiliary training room and an observation area for visitors.

The Alfred Berkowitz Foundation pledged $2 million toward the $7.5 million project. The entire cost of the project was covered by private funds.

The theater provides a showcase for Spartan basketball in the form of a mini movie theater. With seating for more than 30 people, it can handle a team film meeting or a press conference. Videos can be shown on a projection screen or a Smart Board, allowing the coaching staff to diagram plays directly on the screen.

Opened in fall of 2017, the $20 million addition, provided through private support, will be a multi-faceted construction project and upon completion will feature a new ticket box office, a championship display, the Draymond Green Strength and Conditioning Center, a recruiting lounge, alumni locker room and interactive areas that will enhance the fan experience for the more than 500,000 people attending events each year. Open on non-game days throughout the year, the Tom Izzo Hall of History will celebrate the extraordinary success of Spartan Basketball throughout all eras.
